MUSE

各色原创轻法奢系列【慕色】，将法式古典元素与现代简约风格巧妙融合，利用经典元素编织出浪漫梦境，带来一种清新且富有诗意的生活氛围。

【慕色】系列并非一味的将风格单一堆砌，而是基于对我们各色佛山总部在地文化的地域背景将佛山和功夫的文化重构，集成了具有一定符号元素和辨识度的风格。

新的系列既深度融合了轻法式风格，优雅线条的肌理，又暗藏了对佛山千年地域背景的转译。我们将每件产品都融入以品牌字母“G”为基底的图腾设计，让产品本身更具文化底蕴与东方温度。

GESE's original light French luxury series [MUSE] made a grand debut at the Shanghai International Furniture Fair. Ingeniously blending French classical elements with modern minimalist style, it weaves a romantic dream with classic elements, bringing a fresh and poetic living atmosphere. The "MUSE" series is not merely a simple accumulation of styles. Instead, it reconstructs the cultures of Foshan and Kung Fu based on the local cultural background of our GESE headquarters in Foshan, integrating styles with certain symbolic elements and recognizable features.

The new series not only deeply integrates the light French style and the texture of elegant lines, but also implicitly interprets the thousand-year-old regional background of Foshan. We incorporate totem designs based on the brand letter "G" into each product, making the products themselves more culturally rich and full of Oriental warmth.
